

Chronograph Caliber 55

Operating Instructions

A. To set the time (See Figure 2.1)

1. Pull crown gently out to position 3.
2. Turn crown clockwise to set the hands to desired time.
3. Push crown back in to position 1.

B. To set the date (See Figure 3.1)

1. Pull crown gently to position 2.
2. Turn crown counter clockwise until desired date appears in calendar window.
3. Push crown back to position 1.

Note:

If the date is set between hours of around 9:00 PM and 1:00 AM, the date may not change on the following day.

If it is necessary to set the date during that time period, first change the time to any time outside it, set the date then reset the correct time.

C. Using the Chronograph

This Chronograph is able to measure and display time in 1/1 second united up to maximum of 1 hour.
